Rector's Lenten Book Group
Life of the Beloved
by Henri Nouwen

One Discussion night (Optional)
Mon. April 6th
7:30-9:00 PM Taylor Room

I like this book by the late Henri Nouwen, one of the great spiritual guides of our age, because it's not a book for church types. The book emerged out of Nouwen's friendship with a secular Jewish friend who got to know this great teacher and said, "You have something to say, but you keep saying it to people who least need to hear it. What about us young, ambitious secular men and women wondering what life is all about after all? Can you speak to us?" In response to that request, Nouwen wrote *Life of the Beloved*.

Join us as we read our way through Lent, and talk about our insights. **Books will be available in the Narthex beginning Sunday Feb 15th, or at the Church Office.**
